

## **Privacy Notice**

Respecting your personal data protection rights is our top priority. This notice explains why and how we collect personal data about you, how we process such data, and what rights you have regarding your personal data.

### **1. Who is responsible for the processing of your personal data?**

Krzysztof Lis and Bartłomiej Perucki will be the “Controller” of your personal data, being responsible for the privacy of your data.

### **2. The types of information we collect and use**

We collect and use the following categories of your personal data:

- First name
- Last name
- E-mail address
- Nickname
- Photos/videos of you
- Registration and login credentials

### **3. Why we use your personal data**

We may use your personal data as described above for the following purposes:

- providing and administering our products and services;
- managing IT resources, including infrastructure management including data back-ups, information systems’ support and service operations for application management, end user support, testing, maintenance, security, user accounts creation and management, monitoring access to systems.

We collect only the personal data from you that we need for the purposes described above. For statistical purposes, improvement of our services and testing of our IT systems we use as much as reasonably possible anonymized data. This means that these data can no longer (in)directly identify you or single you out as an individual.

### **4. What happens if you do not provide us with the information we had asked you for or if you ask us to stop processing your information**

Although we cannot obligate you to share your personal data with us, please note that without your personal data we will not be able to provide you with access to our products or services.

## 5. The legal basis we rely on

We use your personal data for the purposes described in this notice based on our legitimate interests to provide you with our products and services and to properly manage infrastructure including data back-ups, information systems' support and service operations for application management, end user support, testing, maintenance, security, user accounts creation and management, monitoring access to systems.

## 6. Parties we share your personal data with (in and outside the EU and EEA)

Recipient name or – for non-EU countries – recipient category	Recipient location	Purpose
Alphabet Inc. and DigitalOcean Inc.	EU/EEA and non-EU/EEA (global)	Cloud services

## 7. How long we keep your personal data

We only keep your personal data for as long as necessary for the purposes described in this privacy notice, or until you notify us that you no longer wish to use our services.

At the same time, applicable data protection laws require that we do not keep personal data in an identifiable form for any longer than is necessary for the purpose for which the personal data is being processed. Through the setting of IT applications and policies we ensure that our keeping of your personal data is deleted when we no longer need it.

## 8. Your data privacy rights

Depending on the jurisdiction in which you are located and in which your personal data is processed, you may have the following rights:

Data privacy rights	What it means
The right to access your data	You are entitled to ask for an overview of or to obtain a copy of the personal data we hold about you.
The right to have your data corrected	You may request immediate correction of inaccurate or incomplete personal data we hold about you.
The right to have your data erased	You may request that personal data be erased when it is no longer needed, where applicable law obliges us to delete the data or the processing of it is unlawful.
The right to restrict data processing	You have the right to restrict the processing of your personal data in specific circumstances.

The right to data portability	You have the right to receive your personal data in a structured, machine-readable format for your own purposes, or to request us to share it with a third party.
The right to object to data processing	You have the right to object at any time, for reasons arising from your particular situation, to the processing of your personal data, which is based on a legitimate interest
The right to withdraw consent	Where you have been asked for your consent to process personal data, you may withdraw your consent at any time. The withdrawal of consent will not affect the lawfulness of processing based on consent before its withdrawal.

Please note that the rights described above are not absolute, and that your request cannot always be met entirely. For example, sometimes we cannot delete or restrict the processing of your personal data as we may have legal obligations or contractual obligations to keep certain personal data.

You may request to enforce your data privacy rights by contacting us at: [integrigo.app@gmail.com](mailto:integrigo.app@gmail.com)

## **9. Contact and further information**

If you want to access your personal data, make use of any of your other rights mentioned above or if you have any questions or concerns about how we process your personal data, please contact us at: [integrigo.app@gmail.com](mailto:integrigo.app@gmail.com)

Should you not be satisfied with our response or believe we are processing your personal data against the law, you may also have the right to file a complaint with the Data Privacy Authority in your country of residence or work, or seek a remedy through the courts where you believe an infringement of data privacy laws may have taken place.

## **10. Updates to this document**

This Privacy Notice may be updated from time to time as a result of required developments. In case of such updates, we will undertake necessary actions to inform you about them depending on the importance of changes done. If and where required by applicable laws we will also ask for your consent to any material Privacy Notice changes describing our up-to-date practices.

Please check the “date of publication” to see when this Privacy Notice was updated.
